1 Introduction

1.1 Purpose of the Portal

The Udyami Bharat Portal also known as Integrated National MSME Digital Portal (INMDP) represents a significant step towards transforming the landscape of Micro, Small, and Medium Enterprises (MSMEs) by leveraging digital technology. Its primary purpose is to create a cohesive and centralized digital ecosystem that empowers MSMEs by simplifying their interactions with various governmental schemes and resources.

1.2 Objective of the Manual

This user manual offers a comprehensive guide with visual references to assist users in navigating the application. It outlines the standard procedures for exploring, applying and tracking of various government schemes and other related tasks by the MSMEs on the UBP Portal.

1.3 Target Audience

The **Udyami Bharat Portal (UBP)** is designed for stakeholders within the MSMEs ecosystem i.e. existing or new enterprises seeking to access, apply for, and track benefits under various government schemes.

1.4 Scope of the Portal

The UBP Portal (Integrated National MSME Digital Portal) for Ministry of Micro, Small and Medium Enterprises, Government of India provides following features/functionalities for MSMEs:

- Udyami Registration
- Creation of Integrated MSME Profiles
- Single Sign-On
- MSME Dashboard
- Schemes Repository
- Schemes On-boarding
- Scheme Discovery
- Schemes Recommendations
- Application status tracking
- Integration with various Central, State and Financial Institutions Schemes
- Business Planning Tools
- Notifications
- Digi locker
- Entity locker

2 Pre-requisites

To ensure smooth implementation, usage, and sustainability of the Udyami Bharat Portal (UBP), the following prerequisites must be in place:

2.1 User Pre-requisites

1. Valid MSME registration (Udyam Registration Number).
2. Basic digital literacy to access portal features.
3. Udyam-linked mobile number for authentication and communication.

2.2 Hardware/Software Requirements

1. Device: Desktop or Laptop computer
2. Operating System: Windows 10 or higher / Linux / MacOS.
3. Web Browser: Latest versions of Google Chrome, Mozilla Firefox, or Microsoft Edge (JavaScript and cookies enabled).
4. Internet Speed: Minimum 2 Mbps stable connection recommended.
5. Display Resolution: 1366 × 768 or higher for best user experience.

2.3 Registration & Authorization Process

1. User Registration: New users must register on the portal by submitting their Udyam Registration Number.
2. Verification: The system verifies the entered details through Udyam and OTP authentication (mobile).

2.4 Supported File Formats & Size Limits

1. To maintain consistency and security, the portal accepts documents in the following file formats:
2. PDF (preferred for official submissions)
3. JPEG/PNG (scanned documents, images, evidence)
4. Maximum File Size: 5 MB per document. Files larger than the limit should be compressed before uploading.
5. All uploaded files must be virus-free and properly named for easy tracking.
